Personality

Are you looking at me?

No me mires, chivato. I don't like it when gringos stare at me. Last time a gringo looked at me, I shot him.

And when the dead cabrón got back up, I shot him again. Así es.

So, if you think I might be getting flojo because a few dead pendejos came out of their graves in Tijuana, you're wrong.

Everyone who rides with me knows I'll rob you then kill you twice and take the gold from your teeth. You better look the other way, gabacho, or I'll make sure you never see again.

Quote

You shouldn't have recognized me, chivato. Now I'll kill you—as many times as it takes.
